

Notice in Respect of Port Charges

Crane Hire – Energy Surcharge

With effect 1 Apr 2025 the **Energy Surcharge** applied to all crane charges (including the Diesel Component, Electricity Component and HVO Surcharge) is suspended for the forthcoming quarter.

The Energy Surcharge will continue to be reviewed quarterly according to the average cost of Diesel/HVO and electricity consumed in the prior three months.

Please note that use of HVO in cranes is scheduled to commence on 31 March 2025. Usage will be monitored over the forthcoming quarter with HVO surcharge resuming in Q3.
